## RACING PROGRAM • 2021 SPRING SCHEDULE & OVERVIEW

Sailors who want to learn the art of racing, leading to a race skipper or a tactician role will usually start with the Introduction to Racing clinic unless they have previous racing experience. A racing resume allows members to “Challenge” a Clinic to achieve their qualifications. The three main clinics are aimed at Non-Spinnaker racing certification. Spinnaker racing certification is offered as optional follow-on clinics.

### Your Racing Education, Certification & Experience Journey

Aventura Racing is a division of Aventura Sailing that has the mission to introduce cruising sailors to the art, science and passion that is yacht racing. Your journey will encompass the knowledge, experience and certification essential to transition from a competent cruiser to a confident yacht racer.

### Introduction to Keelboat Racing Clinic

The Introduction to Racing Certification prepares sailors with cruising experience with the knowledge, skills and initial experience to crew on a racing keelboat and consists of:- 21 hours of instruction followed by a 10 race experience and evaluation requirement designed for the student with Aventura Academy Advanced or ASA 103 or equivalent Certification and are at least 18 years old and able to participate in this physical sport.

Included are 9 hours of lectures plus online self-learning so that graduates can meet the basic requirements of crew for a recreational non-spinnaker keelboat race including: safety, rigging, starting, tacking, basic tuning and trimming, mark rounding, jibing, reaching, running, rules of the road. In addition, students exercise practical racing skills in 12 hours of on the water coached racing experience.

#### Introductory Racing Crew - Clinic Topics:

- Things to Know - before you Go Racing
- Your Preparation, understanding what needs to be done Pre-Start and the Starting Sequence
- Understanding race mode and your job when Beating Upwind, Reaching & Running
- The importance of Mark Rounding and Finishing maneuvers

**Pre-requisites:** Aventura Advanced or ASA 103 or equivalent.

### Competent Racing Crew Clinic

The Competent Racing Crew Certification aims to prepare Introductory Crew with basic racing experience with the knowledge, skills and initial experience to be a Competent crew member on a race keelboat. The Clinic consists of 21 hours of instruction followed by a 15 race experience and evaluation requirement designed as a follow on to the Introduction to Racing Clinic or equivalent.

Included are 9 hours of lectures plus online self-learning so that graduates can meet the requirements of competent crew for competitive non-spinnaker keelboat racing: including: safety, rigging, starting, tacking, basic tuning and trimming, mark rounding, jibing, reaching,

running, rules of the road. In addition, students exercise practical racing skills in 12 hours of on the water coached racing experience.

#### Competent Crew - Clinic Topics:

- Things a Competent Crew Should Know - before you Go Racing
- Taking a lead role in Race Preparation, Pre-Start and Starting
- Improving performance when Beating Upwind, Reaching & Running
- Optimized Mark Rounding & Finishing

### Racing Skipper & Tactician Clinic

The Racing Skipper & Tactician Certification aims to prepare Competent Crew with solid racing experience with the knowledge, skills and initial experience to be a Skipper or Tactician on a race keelboat. The Clinic consists of 21 hours of instruction followed by a 20 race and evaluation experience requirement designed as a follow on to the Competent Racing Crew qualification or equivalent

Included are 9 hours of lectures plus online self-learning so that graduates can meet the requirements of Skipper or Tactician for competitive non-spinnaker keelboat racing: including: safety, rigging, starting, tacking, tuning and trimming, mark rounding, jibing, reaching, running, rules of the road. In addition, students exercise practical racing skills in 12 hours of on the water coached racing experience aboard performance racing keelboats boats.

#### Racing Skipper & Tactician Clinic Topics:

- Things a Skipper Needs to Know - before taking the Boat and Crew Racing
- Race Preparation before the race day, and on race morning, Pre-Start Procedures and Starting maneuvers and tactics
- Beating, Reaching & Running – performance, conditions, maneuvers & tactics
- Competitive Mark Rounding & Finishing Tactics, Techniques

### Advanced Racing Clinics

Clinics provide the advanced learning, skills and experience to help you advance on your racing journey. Advanced follow-on clinics:

- Racing with a Symmetrical Spinnaker
- Racing with a Asymmetrical Spinnaker
- Coastal Racing Experience
- Coastal Race Navigation

### Racing in and around Dana Point

Dana Point harbor has an active recreational and competitive racing calendar of events throughout the year. When combined with coastal racing options like Long Beach to Dana Point, Around Catalina, Newport to San Diego (Ensenada) and others there is lots of opportunity to be racing every week.

*Sharing the thrill of yacht racing with South Orange County.*
